Respected Sir/ Madam,

An internship program for a period of twelve weeks/ twenty weeks is mandatory for law students as an integral part of their curriculum and syllabus, hence I request you to assist the following students to do internship in your office by acquainting them with different registers and explaining them the powers and functions of different officers. They may also be allowed to prepare a report on the functioning of the office. The internship may be a period of 14-28 days. And I request your good self to kindly issue them a certificate of attendance.
